

YOU ARE INVITED TO PARTICIPATE IN A **COMMUNITY ASSESSMENT & ASSET MAPPING PROJECT FOR WILBUR**

WEDNESDAY - OCTOBER 2
WILBUR COMMUNITY CENTER
1 - 4 PM: LISTENING SESSIONS
6:00 PM: OPEN HOUSE

WHAT IS A COMMUNITY ASSESSMENT?

It is a planning process that brings a team of resource providers to Wilbur for one day to tour the community and listen to its residents and turn what they learn into an action plan to help Wilbur reach its goals.

WHAT DO THEY NEED FROM YOU

They need you to answer three questions:

1. What are Wilbur's strengths?
2. What are Wilbur's challenges?
3. What projects should take place within two years? five years? ten years?
